

Thank You for Praying

“Be joyful in hope, patient in affliction, and faithful in prayer.”

Romans 12: 12

- * Peter Warkentin is in the hospital in very poor health. Please pray for healing for Peter and comfort for his wife Donna.
- * David Pyke is home from the hospital and is recovering. David and Marion thank you for your continued prayers but request privacy during this time.
- * Princess Venneri is undergoing treatments for her back pain. Though they are intended to help reduce the pain in the long term, the treatments themselves are quite painful. Please pray for strength, comfort, and peace for Princess.
- * Bev Williams' sister, Phyllis, is recovering at home from recent injuries and surgery. Please continue to pray for healing.
- * Your prayers are coveted for those of our church family that are infirm or house-bound. Pray for God's sustaining grace in this holiday season and that they might feel his presence, blessing, and healing.
- * Please continue to pray for a number of people in our congregation that have lost loved ones recently. Pray for comfort and peace for their families.
- * Debbie and Ron Luchkanyn ask for continued prayer for Quin McColgan who is battling with cancer. One of his tumours is growing again.
- * Eleanor Leigh requests prayer for a family of friends. Chris Roest, and his son, David, are both in hospital dealing with major health concerns. Please pray for healing for them both.
- * Please pray for Frank and Jacqueline Shennan as they are both experiencing some health concerns.
- * Remember our Pastoral Search Committee in prayer: George Warkentin, Angela Kersten, Bill Reasner, Ron Wickens, Rich Daniel, Larry Srigley, Keith Lichty Sr. and Pastor Dave. Pray for these appointed for this committee, as they seek the Lord's will for the future of GBC.

Three Ships

There were three ships which were nearby when the Titanic sank.

One of them was known as the Sampson. It was 7 miles away from the Titanic and they saw the white flares signaling danger, but because the crew had been hunting seals illegally and didn't want to be caught, they turned and went the opposite direction away from the Titanic. This ship represents us and people like us if we are so busy looking inward at our own sin and lives that we can't recognize when someone else is in need.

The next ship was the Californian. This ship was only 14 miles away from the Titanic, but they were surrounded by ice fields and the captain looked out and saw the white flares, but because the conditions weren't favorable and it was dark, he decided to go back to bed and wait until morning. The crew tried to convince themselves that nothing was happening. This ship represents those of us who say, "I can't do anything now." The conditions aren't right for it and so we wait until conditions are perfect before going out.

The last ship was the Carpathia. This ship was actually headed in a southern direction 58 miles away from the Titanic when they heard the distress cries over the radio. The captain of this ship knelt down, prayed to God for direction and then turned the ship around and went full steam ahead through the ice fields. This was the ship that saved the 705 survivors of the Titanic.

When the captain looked back at the ice fields they had come through, he said "Someone else's hands must have been at the helm of this ship!" This ship represents those who would pray to God for direction and then go without hesitation.

Today is “Bas Basket Day”

Once a month, we have the opportunity to give a free-will love offering toward support of Bas and Anadel Janssen. Bas is a member of GBC and has served as a full-time missionary to China since 1994. The Bas Basket is located on a table by the sanctuary entrance.

Debbie and Ron Luchkanyn were blessed with the birth of their first Grandchild. His name is Elijah Myron Edward Tiffin, born on Friday Jan. 4th, to Sarah and Mitch. Debbie and Ron also ask that you please pray for Sarah's continued recovery from a second surgery that was required after the birth, due to complications which followed the birth.

Attention Ministry Leaders

If you are the head of a ministry here at Glenridge Bible Church, We’ve are beginning to compile our Annual Report for 2018. Therefore, we are looking for a brief annual report from each ministry here at GBC. These reports don’t have to be long.

In fact, we prefer them to be limited to a maximum of 1 page. This is not to be a burden, but rather an opportunity to share how God has worked through your particular ministry in our church. You don’t **HAVE** to make a report, but rather, you **GET** to make one! Not everyone participates in each ministry, so this is a fantastic way for everyone to find out a bit more about what yours does.

Email the church office with your report.

Or drop by with a hard copy or put it in the office mailbox (#7).

Or send a telegram. (We’ll figure something out)

Let’s share God’s goodness and blessing with the whole church family!

Also, we are asking budget request forms to be filled out and returned as soon as possible. If your ministry requires funds, we require a budget form. Please try to your best to get these forms in before the end of January so we can develop a proposed budget in time for the Annual Congregational Meeting.
