

Thank You for Praying

"Be joyful in hope, patient in affliction, and faithful in prayer."
Romans 12: 12

- * Please pray for Ernie and Carol Seeger as they mourn the loss of a good friend.
- * Please pray for Maureen Lemire as she is beginning another term with Camino Global in Honduras, following some travel delays due to bad weather. Pray for God's presence and blessing on the work she is doing.
- * Eleanor Leigh thanks everyone for their prayers for a family of friends. Chris Roest, and his son, David. Chris has undergone his bypass surgery and is at home. Please continue to pray for healing for them both.
- * David and Marion Pyke thank you for your continued prayers but request privacy during this David's recovery time.
- * Princess Venneri is undergoing treatments for her back pain. Though they are intended to help reduce the pain in the long term, the treatments themselves are quite painful. Please continue to pray for strength, comfort, and peace for Princess.
- * Bev Williams' sister, Phyllis, is recovering at home from recent injuries and surgery. Please continue to pray for healing.
- * Debbie and Ron Luchkanyan ask for continued prayer for Quin McColgan who is battling with cancer. One of his tumours is growing again.
- * Please pray for Frank and Jacqueline Shennan as they are both experiencing some health concerns.
- * Remember our Pastoral Search Committee in prayer: George Warkentin, Angela Kersten, Bill Reasner, Ron Wickens, Rich Daniel, Larry Srigley, Keith Lichty Sr. and Pastor Dave. Pray for these appointed for this committee, as they seek the Lord's will for the future of GBC.

Different Perspectives on Prayer

Three preachers sat discussing the best positions for prayer while a telephone repairman worked nearby.

"Kneeling is definitely best," claimed one.

"No," another contended.

"I get the best results standing with my hands outstretched to Heaven."

"You're both wrong," the third insisted.

"The most effective prayer position is lying prostrate, face down on the floor."

The repairman could contain himself no longer.

"Hey, fellas, " he interrupted,

"the best prayin' I ever did was hangin' upside down from a telephone pole."

Though lighthearted, this tale illustrates an important truth.
Our position when we pray isn't important to God.
It's the fact **that** we pray to Him that matters.

Hebrews 13:8 tells us:

"Jesus Christ is the same yesterday, and today, and forever." NIV
 Jesus doesn't change. We, on the other hand, do.

We've all aged, moved, gotten new phones, emails, lost or gained family members. And so, it is time to renew our Church Directory.

- 1) Please check the sheets at the back of the Sanctuary and either initial your entry if it is correct, or fill out a small correction/addition form.
- 2) We want new folks to know who we are too. So, please supply the office with a photo of your family (it doesn't have to be a formal portrait — it can be casual too) so as we grow as a church family, newcomers can get to know us that much easier.

Not comfortable taking a 'selfie'? We can snap a picture of you to use on a Sunday morning too. This should be a painless exercise!
