Scripture Reading — James 1:9-11^{NKJV}

Let the lowly brother glory in his exaltation, but the rich in his humiliation, because as a flower of the field he will pass away. For no sooner has the sun risen with a burning heat than it withers the grass; its flower falls, and its beautiful appearance perishes. So the rich man also will fade away in his pursuits.

Thank
You

A heartfelt thanks to everyone in the congregation for their prayers, cards, calls, and even offers of meals after the passing of Debbie Harder's mother, Luba Kranz. Thanks as well from Luba's sister, Mary Lockett. Luba loved Jesus, enjoyed coming to services and Prayer Meeting at Glenridge Bible Church.

Once restrictions are lifted and we are able to meet together, a small memorial gathering will be planned.

New Photo Directory

We are updating our Photo Directory.

The office will be contacting folks to confirm the information in the directory.

For photos, we can either use existing photos, or we can take a quick shot of you here at the church, or you can email in a 'selfie'.

The point is, we want our church family to know who's who.

So: **NO MASKS** in your photo please. (that kinda defeats the purpose)

GBC 2020 Annual Reports

To our ministry heads, we thank you for what you've done during 2020, despite setbacks and hurdles. We request that you get your annual reports to us so we can compile them for our Annual Congregational Meeting (though we're not sure when that will be possible yet). Please don't wait too long. It's a lot easier to compile things ahead of time than in a last-minute panic.

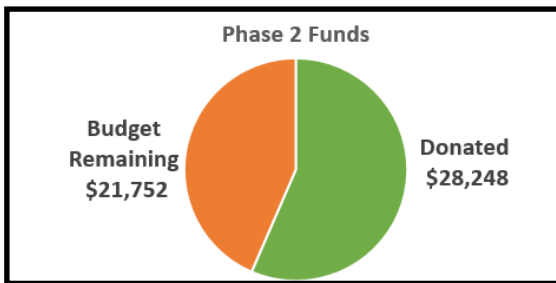

Any parents who would like to be part of the Children's Ministry mailing list, please email AngelaJantzi@hotmail.com to stay informed of upcoming events and program scheduling for when we are able to meet in-person.

Also, any juniors (grade 7+) who would like to help in nursery or children's ministry, stay tuned for a Plan to Protect training session. Date to be announced when we can open again.

Phase 2 of our Construction Project

As was announced during the September 12, 2020 congregational meeting, any unused, or surplus funds given towards the capital project would go towards the 2nd phase of the entire project, namely, the creation of GBC's offices in the old Library location. This phase to be voted on at the annual congregational meeting.

Thank You for Praying

Notes of praise:

- * Jaqi Shennan has been in contact with us to let us know that she has been tested and no longer has Covid-19. Also, everyone in their complex has tested negative!
- * Ernie Seeger received the news from his doctor that although he needs to go for regular checkups, he is cancer-free! Praise the Lord! Also, Ernie and Carolin are moving shortly to be closer to Carolin's mother. This has also enabled Ernie to retire at the end of February!

Please pray for those suffering loss:

- * The family of Elsie McGarvey, a former attendee of Glenridge who past away recently.
- * Irene Hesp on the loss of her son, Rob.
- * Ruth Anne Funk on the loss of her sister, June Tallman last week.

Seeking prayer for healing and comfort from illness or pain:

- * Fijtje Eygenraam asks for prayer for Rob's Brother-in-law, Ed Pypker. Ed underwent surgery for a torn aortic vessel and a ruptured femoral artery. Due to complications, his kidneys are under immense strain and he may lose his leg. Please pray for Ed and his wife as they wait on the Lord, for healing and comfort.
- * Toni Goodliff requests prayer as she has been diagnosed with cancer and is going in for surgery on March 3rd. There is risk involved due to other health concerns.
- * Despite being in a locked down building and unable to leave or have any visitors for months, Jaqi Shennan has now tested positive for Covid-19. Please pray for this dear lady as she already has a number of health concerns.
- * Debbie Harder's uncle, Jimmy Bartkiw, as he is now facing long-term care at Shaver once he is released from the hospital in Hamilton.
- * Quin McColgan, (friend of the Luchkanyns) fighting cancer. New tumours have been found and they are still looking at alternative treatments.
