

*In position to hurry up and wait for the old units to be removed.*

*Curbing shows size difference between old and new units.*

*Installer directing crane operator. (Probably rethinking career choice...)*

*Removal of first old unit. May it rust in peace.*

*Perspective may be a bit wonky, but gives another idea of size difference.*

*(Old units: 25 tons — New units: 15 tons)*

**Praise the Lord for His provision for this project!**

**And, once again, a huge, heart-felt thanks to the many contributors that gave towards this project in addition to their regular tithing.**

**We also couldn't put everything else on hold while working on this, so thanks to all who continued, faithfully, to give towards ministry here at GBC.**

**Also, thanks to Calvary Christian School that financed half of this major project as well.**

**May we be hereafter either hot or cold, but never lukewarm.**

**Though the offer was made for looky-loos to come and watch the crane install our new HVAC units, there was a distinct lack of spectators. We figured that for the great show of support financially for this project, the least we could do is provide some pictures so you all have proof it was done. 😊**

***Waiting patiently for school kids to arrive and for lots to clear.***

***Ready to do some heavy lifting.***

## **Scripture Reading: Exodus 19:18—20-18**

<sup>18</sup> Now Mount Sinai *was* all in smoke because the LORD descended upon it in fire; and its smoke ascended like the smoke of a furnace, and the whole mountain quaked violently. <sup>19</sup> When the sound of the trumpet grew louder and louder, Moses spoke and God answered him with thunder. <sup>20</sup> The LORD came down on Mount Sinai, to the top of the mountain; and the LORD called Moses to the top of the mountain, and Moses went up.

<sup>21</sup> Then the LORD spoke to Moses, "Go down, warn the people, so that they do not break through to the LORD to gaze, and many of them perish.

<sup>22</sup> Also let the priests who come near to the LORD consecrate themselves, or else the LORD will break out against them." <sup>23</sup> Moses said to the LORD, "The people cannot come up to Mount Sinai, for You warned us, saying, 'Set bounds about the mountain and consecrate it.'" <sup>24</sup> Then the LORD said to him, "Go down and come up *again*, you and Aaron with you; but do not let the priests and the people break through to come up to the LORD, or He will break forth upon them." <sup>25</sup> So Moses went down to the people and told them.

**20** Then God spoke all these words, saying, <sup>2</sup> "I am the LORD your God, who brought you out of the land of Egypt, out of the house of slavery. <sup>3</sup> "You shall have no other gods before Me. <sup>4</sup> "You shall not make for yourself an idol, or any likeness of what is in heaven above or on the earth beneath or in the water under the earth. <sup>5</sup> You shall not worship them or serve them; for I, the LORD your God, am a jealous God, visiting the iniquity of the fathers on the children, on the third and the fourth generations of those who hate Me, <sup>6</sup> but showing lovingkindness to thousands, to those who love Me and keep My commandments. <sup>7</sup> "You shall not take the name of the LORD your God in vain, for the LORD will not leave him unpunished who takes His name in vain. <sup>8</sup> "Remember the sabbath day, to keep it holy. <sup>9</sup> Six days you shall labor and do all your work, <sup>10</sup> but the seventh day is a sabbath of the LORD your God; *in it* you shall not do any work, you or your son or your daughter, your male or your female servant or your cattle or your sojourner who stays with you. <sup>11</sup> For in six days the LORD made the heavens and the earth, the sea and all that is in them, and rested on the seventh day; therefore the LORD blessed the sabbath day and made it holy. <sup>12</sup> "Honor your father and your mother, that your days may be prolonged in the land which the LORD your God gives you. <sup>13</sup> "You shall not murder. <sup>14</sup> "You shall not commit adultery. <sup>15</sup> "You shall not steal. <sup>16</sup> "You shall not bear false witness against your neighbor. <sup>17</sup> "You shall not covet your neighbor's house; you shall not covet your neighbor's wife or his male servant or his female servant or his ox or his donkey or anything that belongs to your neighbor." <sup>18</sup> All the people perceived the thunder and the lightning flashes and the sound of the trumpet and the mountain smoking; and when the people saw *it*, they trembled and stood at a distance.

## Today at Glenridge Bible Church

Owe nothing to anyone except to love one another; for he who loves his neighbor has fulfilled the law. For this, "You shall not commit adultery, You shall not murder, You shall not steal, You shall not covet," and if there is any other commandment, it is summed up in this saying, "You shall love your neighbor as yourself."

Romans 13 : 8-9

**Bas Janssen** wrote in with an update:

Anadel felt good enough to make a trip to the Philippines to see her family and it ended up that Eric was off from school as well and so we did. We were there from dec.25 till dec.30, late evening returned to HK.

I had a Bible study with Anadel's brother and his wife. She wants to learn more and she thought I had no time. We had one evening before we left. In March

I will come back to the Philippines for speaking engagements and we will then have more studies. She will invite other sisters from her church to join, they are hungry there and are not fed well spiritually.

Eric did his exams and will get the results later. He will do another year to get advanced diploma what will help to continue on to other schools as well for tourism /

hospitality. He is enjoying it. Thank you for praying for his continuing development. Anadel gets another CT scan begin March. But in December at a doctor's check up, she was told she is diabetic, not in a serious state but she need more to be careful what to eat and self blood taking. It was never brought up before, just last month. The doctor want to see what happened with her tumor after waiting for this time, if it grows or decrease. Thank you for praying for her ongoing conditions. We had on Dec.24 another baptism. the water was cold, the week before was between 7-10 degrees Celsius. But the sister wanted it. She came for awhile to the meetings as an unbeliever. But early

December she wanted to accept the Lord. By sitting and listening she accepted the message and wanted to believe. What a blessing! I stay still for three months here what I am thankful for to the Lord, on one hand it helps me quietly doing that which is given to me by my Lord, the other hand is just three months and need to exit. As long it stays this way, is fine. The Lord watches over our family and knows and provides our needs.
