

Scripture Reading: Exodus 23 : 20-33

²⁰ "Behold, I am going to send an angel before you to guard you along the way and to bring you into the place which I have prepared. ²¹ Be on your guard before him and obey his voice; do not be rebellious toward him, for he will not pardon your transgression, since My name is in him. ²² But if you truly obey his voice and do all that I say, then I will be an enemy to your enemies and an adversary to your adversaries. ²³ For My angel will go before you and bring you in to *the land of* the Amorites, the Hittites, the Perizzites, the Canaanites, the Hivites and the Jebusites; and I will completely destroy them. ²⁴ You shall not worship their gods, nor serve them, nor do according to their deeds; but you shall utterly overthrow them and break their *sacred* pillars in pieces.

²⁵ But you shall serve the LORD your God, and He will bless your bread and your water; and I will remove sickness from your midst. ²⁶ There shall be no one miscarrying or barren in your land; I will fulfill the number of your days. ²⁷ I will send My terror ahead of you, and throw into confusion all the people among whom you come, and I will make all your enemies turn *their* backs to you. ²⁸ I will send hornets ahead of you so that they will drive out the Hivites, the Canaanites, and the Hittites before you. ²⁹ I will not drive them out before you in a single year, that the land may not become desolate and the beasts of the field become too numerous for you. ³⁰ I will drive them out before you little by little, until you become fruitful and take possession of the land. ³¹ I will fix your boundary from the Red Sea to the sea of the Philistines, and from the wilderness to the River *Euphrates*; for I will deliver the inhabitants of the land into your hand, and you will drive them out before you. ³² You shall make no covenant with them or with their gods. ³³ They shall not live in your land, because they will make you sin against Me; for *if* you serve their gods, it will surely be a snare to you."

Bas Janssen wrote in with an update:

Anadel felt good enough to make a trip to the Philippines to see her family and it ended up that Eric was off from school as well and so we did. We were there from dec.25 till dec.30, late evening returned to HK.

I had a Bible study with Anadel's brother and his wife. She wants to learn more and she thought I had no time. We had one evening before we left. In March

I will come back to the Philippines for speaking engagements and we will then have more studies. She will invite other sisters from her church to join, they are hungry there and are not fed well spiritually.

Eric did his exams and will get the results later. He will do another year to get advanced diploma what will help to continue on to other schools as well for tourism / hospitality. He is enjoying it. Thank you for praying for his continuing development.

Anadel gets another CT scan begin March. But in December at a doctor's check up, she was told she is diabetic, not in a serious state but she need more to be careful what to eat and self blood taking. It was never brought up before, just last month. The doctor

want to see what happened with her tumor after waiting for this time, if it grows or decrease. Thank you for praying for her ongoing conditions. We had on Dec.24 another baptism. the water was cold, the week before was between 7-10 degrees Celsius. But

the sister wanted it. She came for awhile to the meetings as an unbeliever. But early December she wanted to accept the Lord. By sitting and listening she accepted the message and wanted to believe. What a blessing! I stay still for three months here what

I am thankful for to the Lord, on one hand it helps me quietly doing that which is given to me by my Lord, the other hand is just three months and need to exit. As long it stays this way, is fine. The Lord watches over our family and knows and provides our needs.
