Today at GlenridgeBibleChurch.org

*"Do not let the son of the foreigner who has joined himself to the Lord speak, saying, "The Lord has utterly separated me from His people";
Nor let the eunuch say, "Here I am, a dry tree."*

*For thus says the Lord: "To the eunuchs who keep My Sabbaths,
And choose what pleases Me, and hold fast My covenant,
Even to them I will give in My house And within My walls a place
and a name better than that of sons and daughters;
I will give them an everlasting name that shall not be cut off. "*

Isaiah 56 :3-5

Order of Service

As seen at:

<https://glenridgebiblechurch.org/sermon-archive/>

2020 YTD General Offerings Donations:	\$ 121,280.27

**God continues to bless our church through your tithes and offerings,
even while we are unable to meet in person.**

If you have offerings you’d like to donate, there are multiple options.

- 1) You can donate online through our website at www.GlenridgeBibleChurch.org and click on the ‘Give’ tab at the top of the page. (You can use MasterCard or Visa)**
- 2) You can drop your envelope in the mail slot at the front of the church (to the left of the main front doors)**
- 3) You can mail your cheque in**
- 4) Contact the office and we’ll arrange for someone to pick it up from your home mailbox (to minimize contact)**

**Also, anyone who would like to have numbered offering envelopes, or a mailbox here at the church, please contact the office at:
905.937.1326 or GlenridgeBC@gmail.com
and we’ll have them ready for when our services resume**

Dandelion Investigation

On a nice day, go on a dandelion investigation!

Dandelions can grow almost anywhere so, hopefully, you will be able to find some good specimens to examine!

(Grown-ups, you can do this too!)

Here are some questions to help you think about what you see.

- * 1. Where do you see dandelions growing? If they are on the lawn, how tall are their stalks? If they are on the side of the road or in a meadow, how tall are their stalks?
- * 2. Look at a dandelion leaf? Why was the plant named "lion's teeth"?
- * 3. Dig up a dandelion root and then explain why this weed withstands drought, and why the plant remains once it has been planted?
- * 4. Make notes on a certain dandelion plant 3 times a day. How long does it take the dandelion head to open on a sunny morning? How long does it stay open?
- * 5. After all the little flowers of a dandelion have blossomed, what happens to it? How does the dandelion look after it opens again?
- 6. Look at a dandelion head full of seed. Shake or blow the seeds off. Do all the seeds come off easily? Where do the seeds go?
- 7. Read Acts 8: 1-4. How is the dandelion like this story?
- 8. I wonder if you can think of any other ways the dandelion is a good picture of the Church?
- * These questions come from Handbook of Nature Study by Anna Botsford

Thank You for Praying

"With all prayer and petition pray at all times in the Spirit, and with this in view, be on the alert with all perseverance and petition for all the saints"

Ephesians 6 : 18

Notes of Praise:

- * Ernie Seeger has tested cancer-free! Please pray for his comfort as he heals and recovers and later has a stint removed.
- * Juergen Harder's father, Helmut has been transferred to Shaver Hospital. He is now beginning his physiotherapy and recovery from hip surgery.
- * Charles and Tara Monteith's friend, Andrea, whom we've been praying for, is in remission. She will be undergoing radiation as additional treatment. Praise the Lord, and please continue to pray for Andrea.
- * Larry and Linda Srigley thank you for your prayers for their eldest daughter, Deborah, who is responding very well to treatment for an infection. Please continue pray for healing, and peace.

Prayer Concerns:

- * Betty Anderson broke her hip last Monday. She has had surgery and is recovering. Please pray for both Betty and Kim as Betty has to recover alone due to the Covid-19 restrictions.
- * Gilles Groleau's daughter Chantal was admitted to hospital. They believe her water broke, but she is not due until late July. She is in hospital on bedrest for 2-3 weeks then regular visits until due date. Baby's heart rate and blood pressure are good. Please pray for her baby and the whole family over this stressful time.
- * Please continue to pray for healing and comfort for Kathleen Grout and her family as they navigate this season of loss, and bittersweet relief.
- * Please pray for Bev Williams. She is experiencing incredible amounts of pain in her shoulders and back. Please pray for healing and relief.
- * Otto Roman will be requiring atrial fibrillation treatment following the lockdown. Please remember this dear couple in your prayers.
- * Diane Morris, a former attendee here at GBC has suffered a major burn. Please pray for comfort and healing and no infection as she recovers, as she is having trouble scheduling a doctor apt.
- * Please pray for Ron Clattenburg's family as they make decisions about his long-term care.
- * Please continue to pray for those in our congregation suffering from ongoing pain. Please pray for Emilia Pirc, Sue Furness, Ron and Lois Clattenburg, Jaqi Shennan, Rosalie Pankoff, Eleanor Leigh.
- * The Luchkanyns ask for continued prayer for their friend, Quin McColgan, suffering from cancer. Update: His tumour has grown and doctors are considering changing his treatment.
- * Sue Furness thanks everyone for their prayers for a friend, Amy (19y/o), suffering from terminal cancer. Sue will update us when she regains contact with the family.
